4th of July Parade will be on Monday July 5th, 2010

The Chelmsford Parade Committee, Inc. is once again organizing the 4th of July parade in Chelmsford this year! We are very excited and feel it is a great thing for all involved! The Town of Chelmsford parade generally attracts 25,000+ viewers!! We hope that you will be interested in participating this year.

The interest and volunteers that came forward last year and became involved was wonderful and we are anticipating the same thing will happen with this parade!

The parade will be held on Monday July 5th at 10:00 a.m. We are planning early in hopes that we will have a great parade with lots of bands, floats and marching units. We are asking that you return this form at your earliest convenience so we know if you will be joining us.

Safety Measures:

1. We are asking that no items (i.e., candy, balloons, etc.) be thrown from floats. Items may be *handed out*
2. We ask that squirt guns *not be used* due to the number of complaints we receive. The parade is for all to enjoy and many spectators do not wish to get wet.
3. That you have four “spotters” (two on each side of your float) to keep an eye on any people riding on the float.
4. That any young children are safely “secured” to float, to avoid risk of injury.

You may fax the form to 978-256-1869 or mail to Chelmsford Parade Committee, Inc, c/o Chelmsford Business Association., 10 Summer Street, Chelmsford, MA 01824.

We look forward to hearing from you soon!

Sincerely,

Jeff Hardy – 978-250-8415
